

Insuring Our Future Partnership Sign-On

Returning this form indicates your interest in participating in the Insuring Our Future partnership. This means you will receive regular communications from us with updates, information and resources – nothing more. At the bottom of this form you can indicate your organization’s interest in participating in additional ways.

We recognize that Medicaid provides critical health coverage for hundreds of thousands of Coloradans and is an essential part of our health care system. We believe that Colorado’s Medicaid program should be improved, strengthened and grown to better serve Coloradans who need it most. To this end, we will work with the Insuring Our Future partnership to coordinate messaging and advocacy around Medicaid in Colorado.

Organization (please provide the name as you’d like it to be referenced on public materials)
