

The Colorado Consumer Health Initiative's

Anniversary

Sponsorship Request

The Colorado Consumer Health Initiative is thrilled to announce our 25th Anniversary Celebration! We are celebrating 25 years of bringing consumer voices to the center of health policy in Colorado and beyond, advancing equitable access to health care for all Coloradans. Please join us on Wednesday, September 24th at the Denver Botanic Gardens in support of our staff, partners, and community members that make this work possible.

Over 25 years, CCHI's work has continually shifted and evolved to address the needs of Coloradans and ensure where healthcare policy is being made, the interests of consumers and patients are at the forefront. We have achieved so many small and big policy wins and changes to Colorado's healthcare systems that improve equity and affordability, many of which are seen as models at the national level. We have amplified the voices and stories of countless Coloradans to influence policy change and policy implementation, ensuring policies are centered around real people and meaningfully change Coloradan's lives. We have continued to invest in our community relationships through the addition of our Consumer Assistance Program (CAP) and our Community Advisory Board. Our CAP team has served over 4,000 Coloradans, and saved consumers over \$11 million in medical costs in just 6 years. The stories of these Coloradans and input from the community leaders of our Community Advisory Board ensure CCHI's policy priorities reflect the lived experiences of those most impacted by barriers in our health care systems.

While there are many threats to healthcare, from attacks on programs fundamental for healthcare to the increasing barriers to affordability and controlling healthcare costs, CCHI will be steadfast in defending all Coloradans' right to healthcare and pushing forward so all Coloradans have the healthcare they deserve.

Join us for dinner, drinks, and a brief program in Mitchell Hall at the Denver Botanic Gardens to honor all those who contributed to CCHI's mission and highlight key accomplishments over the last 25 years! While this event is taking place in unfortunately familiar yet unprecedented times of threats to the health care and social programs that CCHI is fighting hard to defend, this celebration provides the opportunity to renew our commitment to our north star of equitable, high-quality, affordable health care for all as we look to the next 25 years.
