

Colorado Consumer Health Initiative

Sponsorship Request

The Colorado Consumer Health Initiative is thrilled to announce our Breakfast with CCHI series, which will provide an opportunity for supporters of this work to invest in our collective healthcare future and be a part of a greater movement to prioritize people over profits.

In the last 7 years alone we have saved Coloradans over \$13 million in medical debt and have passed several key pieces of legislation for consumer protections and healthcare affordability at the Capitol. . After celebrating 25 years of bringing consumer voices to the center of health policy in Colorado, we are looking ahead to the next 25 years of advancing equitable access to health care for all Coloradans.

While we would love to say that we're looking forward to the next 25 years, we truly envision a world in which we don't have to exist. We're fighting for a world in which families have access to the food, housing, and health care they need to thrive. We're fighting for a world in which people with chronic illness are treated as whole humans, and can access lifesaving drugs and treatments without facing financial ruin. We're fighting for a world in which everyone has affordable health coverage, and can access care regardless of who they are, where they come from, or where they live. We want a world where everyone can access care without barriers.

We hope you'll join us for an opportunity to hear from members of our Policy Team over coffee and breakfast on Thursday June 11th from 8:30 - 10:00am.

We would be honored if you would sponsor this event. There are three sponsorship levels:

Community Wellness Builder \$500 - covers food and beverages for Breakfast with CCHI

Care Access Advocate \$1,000 - covers the venue and costs of hosting Breakfast with CCHI

Health Equity Leader \$2,500 - covers the costs of hosting the event and supports CCHI's work

The details of each level and their respective Sponsor Benefits can be found below.

We hope you will join us on Thursday, June 11th at Blend.Co for Breakfast with CCHI to support our continued fight for equitable, affordable health care for all.

In health,

Mannat Singh
Executive Director

Questions? Please email Nik Larson, Development and Events Coordinator, at nlarson@cohealthinitiative.org.

Health Equity Leader- \$2,500
