Prepared by the Colorado Consumer Health Initiative. This chart is a comparison of one silver level plan from each insurer that intends to sell plans in Connect for Health Colorado in 2014. These rates are not representative of rates throughout the entire marketplace. Rates are subject to review by the Division of Insurance and will be finalized by July 31st.

When multiple plans were listed the middle value silver policy was selected based on the information available. The rates were calculated using formulas provided by insurers in the rate filing.
